

EMERGENCY INFORMATION

ACTIVE SHOOTER

RUN if it is safe to do so

HIDE if it is not safe to run – lock or barricade doors and stay hidden until “All Clear” is given through Tech Alert

FIGHT only as a last resort – try to disrupt or incapacitate the shooter

Call 911 or WVU Tech police at 304.929.2677

FIRE

Activate the nearest fire alarm

Exit the building (DO NOT use elevators)

Assist those with disabilities

Call 911 and provide details about the fire

Gather at a designated place and DO NOT re-enter the building

SEVERE WEATHER

Shut all windows and doors

Seek shelter away from windows and doors

DO NOT go outside until the storm has passed

Stay alert for downed wires and falling or damaged objects

Report emergencies to WVU Tech police at 304.929.2677

MEDICAL EMERGENCY

Call 911

Provide CPR if the injured is not breathing (and you're trained)

If there is bleeding, apply firm pressure to the wound

Keep the injured calm and send someone to guide rescuers

Tell the emergency responder what you know about the person and the injury

SUSPICIOUS PACKAGE OR BOMB THREAT

DO NOT touch or disturb the object

Call WVU Tech police at 304.929.2677

Notify your supervisor or instructor

Be prepared to evacuate

Report anything suspicious to WVU Tech police at 304.929.2677

SHELTER IN PLACE

Get indoors quickly

Shut, lock and stay away from doors and windows

If directed, barricade doors and turn off lights

Silence cell phone, tablets and other devices

Follow instructions from emergency responders

Stay in shelter until “All Clear” is given through Tech Alert
